Description :

Prsentation de l'diteurThe Stressfree 3 In 1 FOREX Trader is a group of trading strategies that incorporate different rules for the three different charts. These three technical strategies show you exactly how to enter and exit currency pair trades based upon proven tactics of 'wicke-watching'. The three strategies are simply one for each of the five, fifteen, and thirty minute charts but they are all different because of the different rules you have to use to be successful on each chart. They all utilize Moving Averages and they all include rules not only for entering and exiting trades but for money management as well.The additional FOREX News Trader at the end of the book is a simple set of rules based on upcoming market announcements. The

strategy works incredibly well and forces many traders to come back to me saying "now, why didn't I think of that?!"
