Description :

Prsentation de l'diteurIf you dont pay me 250,000.00 in the next 48 Hours you will die. The text on Josh Hammonds BlackBerry was blunt and chilling. Surely it must be a joke, but when Josh is attacked in broad daylight and people around him start to die he knows that his blackmailer is deadly serious. Can Josh raise the money, can his attractive new bodyguard protect him, who is blackmailing him and why? He has 48 hours to find out. The first novel in the acclaimed City of London Thriller series is a hit which will enthrall

everyone who knows and loves its London settings. Rich in detail and truly evocative it is a real page turner, told in around 100,000 words. See additional books from this publisher at www.fidusbooks.co.uk
