Description :

Prsentation de l'diteurWhen Ellen Ripley finally returns to Earth, she learns that the planet LV-426now called Acheronhas been colonized. But LV-426 is where Ripley and crew of the Nostromo found the original Xenomorphthe killing machine known as the Alien. The colony known as Hadley's Hope is where a group of colonistsprotected by the Colonial Marinesseek to terraform the inhospitable planet, and to uncover Acheron's unknown resources. Two of the residents are Anne and Russell Jorden, wildcatters who came with an infant son, Tim, seeking a fortune that eluded them on Earth. On Acheron, Anne gives birth to the

colony's first newborn. Rebecca Jordan, also known as Newt. The wildcatters discover a vast, decaying ship, once piloted by members of a strange, unknown race. The horseshoe-shaped vessel is of particular interest to Weyland-Yutani, and may be the answer to their dreams. But what Anne and Russ find aboard the ship proves to be the stuff, not of dreams, but of nightmares.

Revue de presse Any new comer to the franchise that is interested in space, discovery, horror and science with enjoy this novel --Geek Hard Transforms nicely into a serious page turner as things go from bad to worse for the colonists --Therefore I Geek Presentation de l'auteur
