**Par Jay Pridmore : Building Ideas: An Architectural Guide to the University of Chicago** before purchasing it in order to gage whether or not it would be worth my time, and all praised Building Ideas: An Architectural Guide to the University of Chicago:

## Description :

Prsentation de l'diteurMany books have been written about the University of Chicago over its 120-year history, but most of them focus on the intellectual environment, favoring its great thinkers and their many breakthroughs. Yet for the students and scholars who live and work here, the physical universityits stately buildings and beautiful groundsforms an important part of its character.Building Ideas: An Architectural Guide to the University of Chicagoexplores the environment that has supported more than a century of exceptional thinkers. This photographic guide traces the evolution of campus architecture from the universitys founding in 1890 to its plans for the twenty-first century.
