## Description :

Prsentation de l'diteurAll the qualities that readers praised in The London Train are present in Clever Girl, Tessa Hadleys brilliant new novel. It follows the story of Stella, from her childhood as the daughter of a single mother in a Bristol bedsit in the 1960s into the mysterious shallows of her middle age. The story is full of drama violent deaths, an abrupt end to Stellas schooldays, two sons by different fathers who arent around to see the boys grow up but as ever it is her observation of ordinary lives, of the way men and women think and feel and relate to one another, that dazzles. Yes, you think. This is how it is.Revue de presse"Few writers give me such consistent pleasure" (Zadie Smith)"She has such great psychological insights into human beings, which is rare. She is one of the best fiction writers writing today" (Chimamanda Ngozie

Adichie)"As discrete entities, Hadleys short stories are intense, miniature novels in themselves; bound together in a novel, they become quietly brilliant, offering an incisive exploration into how lifes individuals episodes add up to a meaningful whole." (Francesca Angelini Sunday Times)"Hadley is a writer of exceptional intelligence and skill and, for all the apparent conventionality of her vision, hers is a subtly subversive talent." (Edmund Gordon Observer)"There is something reassuring yet deliciously unexpected about a Tessa Hadley novel." (Helen Brown Daily Telegraph)Prsentation de l'diteurAll the qualities that readers praised in *The London Train* are present in *Clever Girl*, Tessa Hadleys brilliant new novel.
