Description :

Prsentation de l'diteurThe Culture of Honor is a book of reformation. It is intended to disrupt our current model of authority. Jesus put it like this in Matthew 20:25-26 But Jesus called them to Himself and said, You know that the rulers of the Gentiles lord it over them, and those who are great exercise authority over them. Yet it shall not be so among you; but whoever desires to become great among you, let him be your servant. Those with power must learn to empower those around them or we will never build Heaven on the

Earth.
