Description :

Prsentation de l'diteurForty-year-old university professor Stuart Treece is rather set in his ways, and in the midst of the changing attitudes of the 50s, his encounters with the younger generation are making him feel decidedly alien. When he falls disastrously in love with one of his students all his efforts to acclimatize are hilariously undermined. Timeless and brilliant, Eating People is Wrong is Malcolm Bradburys first novel, and established him as a master of satire.Revue de presseThe funniest book I have read this year Daily Telegraph'Brilliantly funny' --Sunday Times"published only five years after Kingsley Amis s Lucky Jim but seems far more modern in spirit and not much less funny." --Sunday Telegraph SevenPrsentation de l'diteurForty-year-old university professor Stuart Treece is rather set in his ways, and in the midst of the changing attitudes of the 50s, his encounters with the younger generation are making him feel decidedly
