Biographie de l'auteur Before joining Marvel Comics, writer Matt Fraction had already established his reputation as an emerging new talent with his work on Last of the Independents. Fraction's tale of a bank robbery gone wrong earned him a coveted "A" grade from Entertainment Fraction was handpicked to launch two of Marvel's biggest projects for 2006: Punisher War Journal with artist Ariel Olivetti, and Immortal Iron Fist, with co-writer Ed Brubaker and artist David Aja. Both series met with overwhelming critical and fan acclaim, selling out their respective first issues within days of release. This led to two even bigger projects: The launching of Invincible Iron Man, a high-profile first issue premiering the same month as the blockbuster film; and Uncanny X-Men, written in tandem with Immortal Iron Fist partner Brubaker. In addition to his Marvel work, Fraction writes Casanova, an off-beat series illustrated by Gabriel B which recently moved to Marvel's Icon imprint.
