Description :

Prsentation de l'diteurThe #1 bestselling phenomenon continues in the eighth Stephanie Plum novel. The stakes get higher, the crimes get nastier, the chases get faster, and the men get hotter.This time Stephanie, Morelli, Ranger. Lula, Valerie, and Grandma Mazur are strapped in for the ride of their lives. Stephanie is hired to find a missing child. But things aren't always as they seem and Stephanie must determine if she's working for the right side of the law. Plus, there's the Morelli question: can a Jersey girl keep her head on straight when more than just bullets are aimed for her heart? And with the Plum and Morelli relationship

looking rocky, is it time for Ranger to move in for the kill? Janet Evanovich's latest thriller proves that Hard Eight will never be enough..comIn Hard Eight, Stephanie Plum picks up a case a little nastier than anything the wisecracking bounty hunter's seen before. Evelyn Soder and her young daughter have gone on the run, leaving an angry ex-husband who's planning to collect on a child custody bond that will leave Evelyn's grandmother homeless. Stephanie's first clue that there's more to it than that comes in the form of Eddie Abruzzi, a shady local businessman who warns her to butt out of the case. Stephanie doesn't scare easily, but when Abruzzi's henchmen leave a bag of snakes on her doorknob and tarantulas in her car, she has no choice but to call Ranger, the hunky man of mystery whom she already owes too many favors. Steph knows that Ranger will soon be calling in his marker, but with her ex- fianc Joe Morelli out of the picture, that should be OK--shouldn't it? In the meantime, she's got other fugitives to catch, aided by the usual band of misfits, plus a bumbling correspondence-school lawyer who's developed the hots for Stephanie's sister, Valerie. And Steph's in for a surprise from her mother, who proves she's not above wielding a dangerous weapon to save her daughter's life. Author Janet Evanovich has made a bold move in using a soupçon of child jeopardy to pull this series out of the comfortable but formulaic pattern it was threatening to fall into. It's still funny, and yes, some cars are destroyed, but now there's a real edge of darkness under the humor. Fans needn't fear, though: Jersey girl Stephanie is still full of sass and Tastykakes. --Barrie TrinkleFrom Publishers WeeklyThe menace is more personal for Trenton's favorite bounty hunter and the energy more manic in this latest outing than in last year's Seven Up. As a favor to her mother's next-door neighbor, Mabel Markowitz, Stephanie agrees to check up on the lady's granddaughter, Evelyn Soder, who has suddenly taken off with her little girl, Annie, leaving behind a child custody bond against Mabel's house. The son-in-law is a bad guy who lost his bar to Eddie Abruzzi, a very nasty character who owns Evelyn's building. Soon someone in a bunny suit is trailing Stephanie, her car is blown up, her apartment infiltrated and a dead body appears on her couch. She calls in her associate, Ranger, the gorgeous and mysterious Cuban bond agent, while her sometime boyfriend, Morelli the cop, also gets on the case - a real doozy for which she's not getting paid. On the home front, ever-raunchy Grandma Mazur is eager to assist. Sister Valerie and kids have moved back in as well, so there's nowhere but the couch for Stephanie and one bathroom for all. Valerie is inexplicably attracted to Evelyn's goofy lawyer, who's been tagging along with Stephanie and the ever-outrageous file clerk and ex-hooker Lula, further complicating this twisted case. Life in the Burg takes on a sinister turn with serious results. Evanovich does it again, delivering an even more suspenseful and more outrageous turn with the unstoppable Stephanie, heroine of all those who have to live on peanut butter until the next check comes through. Waiting for nine will be tough.Copyright 2002 Cahners Business Information, Inc.
