Description :

Prsentation de l'diteurIn Piemburgem, the deceptively peaceful-looking capital of Zululand, Kommandant van Heerden, Konstabel Els and Luitenant Verkramp continue to terrorise true Englishman and even truer Zulus in their relentless search for a perfect South Africa. Kommandant van Heerden, that great Anglophile, gropes his way towards attaining true 'Englishness' in the company of the eccentric Dornford Yates Club.

But Luitenant Verkramp, whose hatred of all things English is surpassed only by his fear of sex, sets in motion an experiment in mass chastity (with the help of a lady psychiatrist), which has remarkable and quite unforeseen results.Revue de presse"Explosively funny, fiendishly inventive" (Sunday Times)"Splendidly funny" (New Statesman)"What clinches the novel's success is Mr Sharpe's brilliant comic style. His phrasing, his timing, and his extraordinarily deft handling of the minutiae of comic incidents make for real

hilarity" (Times Literary Supplement)"Britain's leading practitioner of black humour" (Punch)Prsentation de l'diteurIn Piemburgem, the deceptively peaceful-looking capital of Zululand, Kommandant van Heerden, Konstabel Els and Luitenant Verkramp continue to terrorise true Englishman and even truer Zulus in their relentless search for a perfect South Africa.
