Description :

Prsentation de l'diteurOlympic rowing hopeful and senior Metropolitan Police officer DCI Rebecca Meredith goes out alone to train on the river in Henley on a dark afternoon in late October and doesnt return. When a desperate search by the police and a K9 team reveals the possibility of foul play, Scotland Yard wants one of their own on the case. Detective Superintendent Duncan Kincaid, returning from celebrating his marriage to long-time partner Detective Inspector Gemma James, is called to Henley to investigate. He soon finds that the world of elite rowing can be brutal, and that Rebecca Merediths ex-husband was not the only person with good reason for wanting her dead. Then, when a search-and-rescue team member is threatened, Kincaid realizes the case may be even more complex and more dangerous than he believed. But it is only when he enlists Gemmas aid that they find that the answers lie closer to home than they could have imagined and are

infinitely more deadly. It seems that more than one innocent life depends on their ability to track down the killer. *Revue de presse* Macavity Award-winner Crombie examines the corrupting nature of power in her riveting 14th novel featuring Scotland Yard Supt. Duncan Kincaid and Det. Insp. Gemma James.... Crombie gives an insightful look into British police procedures as well as a vivid view of the vagaries of London neighborhoods. (*Publishers Weekly* (starred review))...[R]eaders who savor excellent writing will find that Ms. Crombie delivers it again. (*New York Journal of Books*)Crombie is very talented at putting together a richly atmospheric whodunit.... [A]s a creator, she energetically inhabits the many strange worlds she shows her readers.... (*Washington Post*)Ms. Crombie again has turned out a gripping and nicely tailored mystery and added another chapter to her chronicle of Kincaid and Jones. (*Washington Times*)No Mark Upon Her is again deserving of fans devotion due largely to her intelligent, subtle wit and above all, her meticulous attention to detail, from sculling equipment and competitive jealousy to a 3-year-olds birthday party meltdown to the deep bond between a man and his dog. (*Miami Herald*)Her writing is sophisticated and her suspense taut. (*Milwaukee Journal Sentinel*)[A] psychological thrill-ride that explores the allure of power, the pull of jealousy, and the seduction of greed. (*The Tuscon Citizen*)This is a lovely, satisfying British police procedural with many relationship subplots that lend texture. (*Suspense magazine*)Présentation de l'auteurOlympic rowing hopeful and senior Metropolitan Police officer DCI Rebecca Meredith goes out alone to train on the river in Henley on a dark afternoon in late October and doesn't return. When a desperate search by the police and a K9 team reveals the possibility of foul play, Scotland Yard wants one of their own on the case.
