Description :

Prsentation de l'diteurThe hotly anticipated sequel to Nick Alexander's bestseller The Half-Life of HannahIf finding true love meant giving up everything else, what would you do?When Hannah and Cliff's fifteen-year marriage falls apart, it seems almost impossible to start again. While Hannah tries to reconcile the warring factions of her heart, torn between a pre-teen son and a romantic love half a world away, Cliff struggles to face up to issues he has suppressed since adolescence in the hope of finding happiness in a confusing world.Amid the turmoil of separation, and with their son, Luke, caught in the crossfire, both Hannah and Cliff face the challenge of rebuilding their lives. To make the other halves of their lives count, they will need

courage and determination. To build new relationships, they will need to dare to love again. Other Halves beautifully maps the break-up of a couple, with all the tough choices and heartache it entails, but above all it is a touching story of self-discovery, finding new love and beginning life afresh.
