Description :

Prsentation de l'diteurThe Rings of Saturn begins as the record of a journey on foot through coastal East Anglia. From Lowestoft to Bungay, Sebald's own story becomes the conductor of evocations of people and cultures past and present: of Chateaubriand, Thomas Browne, Swinburne and Conrad, of fishing fleets, skulls and silkworms. The result is an intricately patterned and haunting book on the transience of all things human.Revue de presse"Merges history, geography, memory and philosophy to create something more mood than story - nostalgic, melancholy and wondrous" (Time Out)Prsentation de l'diteurThe Rings of Saturn begins as the record of a journey on foot through coastal East Anglia.
