## Description :

Prsentation de l'diteurHave you ever been so angry that hitting things felt good? Ever felt numb to all emotions?The past few years have been like that for me. Traveling between fury and indifference with no stops in between. Some people hate me for it, while others are scared of me. But none of them can hurt me, because I don't care about anything or anyone. Except Tatum. I love her so much that I hate her. I hate that I can't let her go. We used to be friends, but I found out that I couldn't trust her or anyone else. So I hurt her. I pushed her away. But I still need her. She centers me. Engaging, challenging, bullying her - it's the last part of me that feels anything human. But then she left for a year and came back a different girl. Now, when I push, she pushes back.For everyone who loved Bully . . . This is Jared's story. Praise for Penelope Douglas'I
